University Announcements:

STATE HEALTH PLAN

Annual Enrollment is October 1-October 31, 2016

Three important things...

1. Everyone is defaulting to the 70/30 plan. You must take action to enroll in the 80/20 or Consumer Directed Health Plan
2. The 70/30 will now have a wellness credit. To avoid a \$40/month surcharge, you must complete a tobacco attestation during annual enrollment
3. Those in the 80/20 and Consumer Directed Health Plan will have three wellness credits to complete

As of October 1, you will start the enrollment process through the MyPack Portal.

On Tuesday, Oct. 4, NC State will kick off National Cyber Security Awareness Month with its first ever Phishing Fair. The carnival-style event will be held from 11 a.m. to

3 p.m. in the Mountains Ballroom of Talley Student Center.

The Make it Your Mission to Stop Phishing Fair will feature a variety of games, a phish-themed photo booth, phish tattoos, and great prizes. Plus, you'll learn great tips to keep your data safe from phishing attacks, all while enjoying tasty fair food, including Howling Cow ice cream, buttered popcorn, and cotton candy. Play all of the games and enroll in [Google 2-Step Verification](#) to increase your chances to win the grand prize!

For more information about CSAM events, visit NC State's [Cyber Security Awareness Month 2016](#) website or follow the Office of Information Technology on Twitter @ [ncsu_oit](#).

This year's event is sponsored by the Office of Information Technology, the NC State Department of Computer Science, ePartners Program, and the NC State Engineering Foundation.

BEAT the FLU!

HR-Benefits will again be sponsoring appointment and walk-in flu vaccination clinics across campus during the months of October and November. Just like prior years, all State Health Plan members, dependents, and pre-age 65 retirees are eligible for a **FREE** flu vaccination at the NC State campus clinics.
