

COMSCICON

TRIANGLE - 2025

SCIENCE COMMUNICATION FOR GRADUATE STUDENTS

Join us for the 10th annual ComSciCon - Triangle! Attendees will have the opportunity to develop their science communication skills, network with fellow students passionate about science, learn from expert writers and professional science communicators, and produce an original piece of writing for publication.

IN-PERSON SESSIONS

Don't miss our in-person panels and lectures featuring leading science communication professionals! Gain valuable insights and strategies for effectively conveying your research and engaging with diverse audiences.

POP-TALKS

Can you share your research in under a minute? This fast-paced format will showcase innovative ideas and foster engaging conversations about how we can effectively communicate science.

WRITE-A-THON

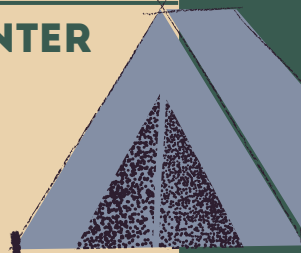

You will be asked to develop your own science communication piece prior to the workshop in order to receive real-time feedback during our Write-A-Thon and expert review activities.

LOCATION: MOREHEAD PLANETARIUM AND SCIENCE CENTER

DATES: JAN 19TH & 26TH, 2025

PRICE: COMPLETELY FREE!

APPLICATION DEADLINE: NOV 28TH, 2024
